OPSIAL®

Try on the Step'Trail, our new **dynamic** safety trainer!  
Its innovative design was specially made to combine **lightness**,  
**flexibility** and protection. Your feet will stay dry thanks to our  
unique **Clima Fit** technology providing extreme breathability.  
Keep up the pace all day long thanks to the Impulse.Foam® sole  
with up to **55% energy return**.  
Certified SIP ESD HRO SRC, it is your powerful ally for intense  
activities in dry environments.

**STEP'TRAIL, THE NEW GENERATION SAFETY TRAINER READY  
FOR ACTION!**
