HAYLEY DEXIS ONSITE SOLUTIONS

Simplify your MRO management with HAYLEY DEXIS Onsite Solutions. By working directly at your site, our experts handle procurement, vendor-managed inventory, stock oversight, and full stores operations to keep your supply chain running seamlessly.

By placing responsibility with us, you remove waste and inefficiency from your supply chain while gaining clarity, transparency, and measurable cost reductions. We take away the headache from you, so you can focus on other areas that need your time and support.

1. BESPOKE INVENTORY SOLUTIONS

HAYLEY DEXIS takes time to understand your operation, usage trends, and future demands to create a tailored inventory plan, keeping the right parts in stock while avoiding unnecessary and costly surplus.

2. GREATER PRODUCTIVITY AND UPTIME

With a HAYLEY DEXIS-managed Onsite store, your teams get instant access to the components they need, cutting downtime, reducing costly breakdowns, and keeping operations running.

3. SIMPLIFIED SUPPLY CHAIN

By consolidating your MRO spend with one reliable partner, HAYLEY DEXIS streamlines procurement, reduces admin, and delivers stronger commercial value.

4. EXPERTISE AT YOUR FINGERTIPS

Our technical specialists are embedded on your site, ready to advise on product selection, troubleshoot challenges, and source replacements for hard-to-find or obsolete items.

5. SMARTER COST MANAGEMENT

HAYLEY DEXIS' reporting tools and usage tracking put you in control of spend, helping you identify savings opportunities and make informed, data-driven decisions.

6. CONTINUOUS OPTIMISATION

We don't just set up and leave. HAYLEY DEXIS regularly reviews performance and evolves your Onsite store to keep pace with changing demands and ensure maximum efficiency.

7. FULL TRANSPARENCY AND CONTROL

Enjoy real-time visibility of stock levels, usage, and supply chain performance, ensuring accuracy, accountability, and proactive decision-making.

8. SMOOTH, LOW-RISK IMPLEMENTATION

Our phased onboarding process ensures an easy, low-disruption transition—moving you from in-house management to a fully-supported Onsite Solution with minimal risk.

WHY CHOOSE HAYLEY DEXIS OnSITE?

Partnering with HAYLEY DEXIS Onsite Solutions means access to a flexible, well-managed MRO supply solution that boosts uptime, reduces costs, consolidates procurement, and delivers expert technical support—all within a system that adapts and improves with your business.
